

A scenic view of a beach with a blue sky, white clouds, and a dark railing in the foreground. The ocean is visible in the distance, and a small island is visible on the horizon. The foreground shows a paved road with a white arrow pointing left.

On behalf of clients, students and staff at NAAM...

**Thank You United Way!**

# Our clients and students are so grateful!

Thanks to your generous contributions, we were able to financially assist **51 households (or 222 total individuals)** in our client base affected by the COVID-19.

Altogether, we provided **\$29,150 in cumulative support** to our refugee and immigrant clients and students in the City of Lynn. The average distribution amounted to **\$572 per household**.

During these trying, uncertain times, NAAM could support our clients in a way we never thought imaginable. This is all thanks to you! Your contributions provided tremendous relief to our clients; the much-needed aid directly went towards impending rent/utility payments as well as purchasing food or other essentials.

Many could not express enough their gratitude!
